## **GENERAL REQUIREMENTS**

The registered DVD copies and the links to the films will be incorporated at the Festival's video library. Short-listed films shall be broadcasted in the program 'FILMETS', produced by Televisió de Badalona. The awarded films will transfer the broadcasting rights to Televisió de Catalunya (TVC), by virtue of the agreement settled between the Festival and TVC, in which Canal 33 will broadcast for a special program with a selection of this year's winning films. The participation in the Festival, and hence the acceptance of the terms & conditions, implies such transfer of rights and no further requirement is necessary.

The Festival reserves the right to fully or partially use the short-listed films in the official section, without any commercial or lucrative aims, for promotion or coverage of the Festival. The Festival reserves the right to publish a film trailer or a 30 seconds teaser (maximum) at the website and/or social networks, with the previous producers or distributors' authorisation.

At least two pictures of the films must be e-mailed for the official catalogue's publication. Any other interesting information can also be included.

If the films are not dubbed or subtitled in Catalan or Spanish, dialogues must be sent in English by e-mail for their proper translation and subtitling.

The Organising Committee can resolve any question not covered in the rules. Its decisions are final.
